PRACTICE WORKSHEET B
Personification

COPYMASTER

Directions: Read “The Young Sea” by Carl Sandburg on the **Practice Model**. As you read, look for examples of **personification**. Then answer the items below on the lines.

1. Name three human actions that the poet attributes to the sea. Identify the lines by number for each action.

2. Name one human mood or feeling that the poet attributes to the sea. Identify the line.

3. Name one human quality or character trait that the poet attributes to the sea. Identify the line.

4. Imagine that the sea in this poem is a person. In a sentence or two, describe what that person is like.
